NOVEMBER 2012 NEWSLETTER

*Dear Friends,*

In Acts 4 it states that Peter and John were arrested and 'severely threatened' for preaching Christ. What did they do? They boldly addressed their accusers saying: *'Whether it is right to listen to you more than God, you judge.'* Upon their release from custody, they went back to their brethren and prayed that God would grant them even greater boldness (v. 29). The Lord answered this petition in a mighty way (v. 31), and He will do the same for you and I if we but step out & share His life-changing Word w/ others.

**\*JRLAF 25<sup>th</sup> Anniversary Service (Oct. 28 – Pictures R/Back) -**

WHM received an invitation to share the Word on this 'special day' in the life of Jesus Risen Lord Alliance Fellowship in American Canyon. The service was held in a beautiful local Park in conjunction w/ an all-day Harvest Festival, with the focus being to invite many from the surrounding neighborhoods and community. The message the Lord gave focused on the Narrow and Wide gates Jesus talked about in Matthew 7:13-14. It was communicated that so many are walking through life with a nonchalant attitude towards God and Sin, not thinking that if this popular path is continued on, it will ultimately lead to unimaginable eternal consequences. The following statement and verse were then reiterated upon repeatedly: The Bible is the only 100% accurate GPS, and Jesus gave the only 100% accurate directions on how to get to heaven.' He said: 'I am the Gate, whoever enters by Me will be saved' (John 10:9). When the appeal was given to Repent and Believe on Christ, more than a few acknowledged their need for the Savior. To all who prayed for this Outreach – **THANKS so much** – The King surely answered!

**\*D.C. Minister's Gathering** – Our second gathering on October 3 was attended by 14 Pastors representing 10 different local churches. The topic focused on and discussed was, **'Leadership Ability and its link to growth.'** After watching a powerful DVD clip pertaining to the subject, the interaction time between these leaders was energetic, honest, and an encouragement to all. Several shared that some of the larger problems they've encountered in ministry were mainly due to not making the 'tough' leadership calls. **Our next time together is set for November 7** at 'Good News Fellowship' in Daly City. The topics that will be tackled will be **Vision** and **Prayer**, and their vital link to church/ministry growth. Also at the meeting, WHM will be proposing the start of an all-church monthly Prayer Meeting tentatively to begin in January (**PrayDalyCity**). We believe that 'United Prayer' will catapult the Body of Christ into a position and

place of power, boldness, great grace, and blessing. **We covet your ongoing prayers** for God's chosen servants in D.C., and also that the Lord would continue to direct our paths in pursuing the goal of seeing His transforming power inhabit the lives/hearts of many here in the foggy City. **Nothing is Impossible with God!**

**\*Youth Concert/Crusade (Picture left)** – It was suggested by one of the young people several weeks ago, and then decided by all the Team members to change the name from 'Rock' to the '**RAIN**' Concert. This was due in part to the possibility that some might get the wrong impression (or have varying ideas) concerning the term 'Rock' Concert. We have also moved this evangelistic event back 7 days from March 30 to the now Saturday, March 23 date (6 – 9 p.m.). The Worship practice schedule began on October 6 and will continue every Saturday morning (except during the Christmas Holidays) until the 'DAY.' The Crusade will also include several testimonies, a painter who paints evangelistic portraits to gospel songs, a possible Dance Team from Hayward/Castro Valley, and of course – The transforming Word of God. **We would like to ask you to please continue praying for this Outreach. Thanks!**

**\*Prayer Walking (Picture left)** – The goal is to be finished walking and praying over every street in Daly City by December 31. Then, the **next step** – please read the last couple of sentences on page 1, and also the top of this page. The late Evangelist Charles Finney once said, 'Prayer Meetings were often found more directly conducive to the spirit of revivals, than conferences.' He also stated: 'When a Church, mourning the absence of Divine influence, was brought to bow down before God, with prayer and supplication, then there was reason to hope that deliverance was at hand.' There are upwards of near 100 churches that open their doors every Sunday in D.C., and in most of their respective services the chairs are more than half-empty. **We sincerely covet your continued prayers for the 'fire to fall' in Daly City. THX!**

**\*WHM U.S. Board Meeting (Oct. 27 – Picture left)** – The Board of Directors met last Saturday to pray and discuss many important happenings currently enveloping the ministry. One of the more pressing issues confronting WHM at this time is finances. The gift-giving to White Harvest has slowly diminished since our return from the Philippines in June, 2011 - this was somewhat expected, but not to the extent it is now being experienced. A personal letter will be sent about this to all our friends in the coming days.

**We LOVE YOU ALL!**
