MARCH 2011 NEWSLETTER

Dear Friends,

My 'WONDERFUL WIFE' will be arriving back in the Philippines via Korean Airlines tomorrow evening (**March 2**) – **Yahoo!!! Thanks again so much to all of you who have taken the time to pray for both of us during the past 11 weeks of this separation.**

***MMC Pastor's Fellowship, Feb. 28 (Pictures at right)** – There were 36 Pastors from every part of Malolos that attended this gathering. The purpose was to extend an invitation to our co-laborers not affiliated with the MMC, asking them to prayerfully consider joining forces with us to reach our City for Christ. **Please pray for true unity among God's Leaders here, and also that the Lord would Revive His Church and Save many in our City.**

***Outreach in San Juan** – In our strategic meeting on Feb. 14, the MMC Council made the following decision: They will begin reaching out to the people of this community by first hosting a Pre-Marriage Seminar (**March 5**). Here's what this means: There are 50 couples (**who do not yet know the Lord**) that have filed for a Marriage License with the Town Officials in San Juan. One of the requirements to obtain this certificate is that the couples will have to attend a Seminar which will be hosted by the MMC Council. **Hallelujah!** The Gospel will be shared at this gathering, and the meeting will also include the film '**A Vow to Cherish.**' **Please pray for the 100 individuals coming on Saturday.**

***Preaching at 'Christ Ambassadors' Church (March 6)** – I will be sharing the Word with this growing Congregation in two services on Sunday. The Pastor there (Reggie Santiago) is also the President of the MMC Council, and is truly a man that God has called to lead Leaders. **Please pray that the Lord would open hearts to respond to the Glorious Gospel of His Beloved Son.**

***Friend Coming (Picture right)** – A close friend from San Francisco (Cherry Alvendia) will be coming to visit us, and to minister wherever the Lord opens the door. She will be staying with Nora & I for most of her 5-week (April 6– May 11) trip. Cherry grew up in Baguio City, and immigrated to the U.S. with her entire family back in 1994. This young lady came to know Christ in our living room in Daly City at the age of 11, and she has an amazing testimony that will definitely grip and challenge many lives here.

***'Sower of Righteousness' Church (Pictures at left) – Thank you for your prayers for the Sunday Service in Marilao on February 20.** Although this Congregation was relatively small (the work is just two years old), their exuberance in Worship and to the Lord was contagious. The message hit home in many hearts, as several acknowledge their first time desire to repent and put their trust in Christ as Savior, while others stood in response to the call to turn from known sin (Luke 13:1-9). An illustration was used of a dead (fig) tree in which Jesus compared in the passage to an individual's life that was not bearing fruit. The facial expressions of those in attendance to this parable told a thousand words. **God's Word truly is LIVING and ACTIVE!**

***WHM's Conference – Evangelism: God's Way! –** White Harvest is now in the preparation stages of creating a Conference for Pastors/Leaders geared towards Church Growth. Some of the proposed titles of the sessions will be: 'The Sunday Morning Service – Its Potential'; 'Small Groups – the Key to Explosive Growth'; 'How to be An Effective Small Group Leader?'; 'Disciples are Made, not Born'; 'Love Them Like Jesus'; 'The Importance of Setting Goals'; and more! **Please begin praying for this upcoming Seminar with God's Servant Leaders in Bulacan.**

***Nights of Obsession 'RAIN-DOWN' Concert/Outreach (Poster at left) –** WHM is planning a night to celebrate and magnify the Resurrection of Jesus Christ. The gathering will take place on Friday Night, April 15 (a week before Good Friday), and the target audience (250 young people) will most definitely include those who do not yet know Christ. The R.A.I.N. Music Group is right now practicing and preparing their hearts to minister the 12-song line-up, and our friend Cherry Alvendia will be sharing her powerful testimony. **Please pray that the Lord would give me His message for this night, and also for the Spirit's Anointing.**

***Young People from Marilao invited to Concert (Picture left) –** After the Service at 'Sower of Righteousness' Church, the Holy Spirit nudged me to invite some of the Youth from this depressed area to the upcoming 'Night's of Obsession' Concert next month. We will be picking up 10 young people the morning of the event day (a 2-hour drive), and then will be bringing them to our house where they will hang-out, attend the Concert, and spend the night. **Please pray for these ten that God's Word would speak to each one in a powerful life-changing way.**

We LOVE YOU ALL!

Your Friends,
